Building on our past for the future.

LP® Building Products has been leading the way in innovative building materials for more than 30 years. From our complete line of LP® SmartSide® siding to our engineered wood and radiant barrier products, professional builders choose LP for unparalleled quality and performance.

Real Craftsmanship Through Technology

LP SmartSide products combine the beauty of cedar grain and outstanding performance. Our proprietary SmartGuard® process helps prevent delamination, moisture, rot and termite damage. LP SmartSide products are also 100% silica-free, have no knots or other natural defects and cut just like real wood. And since LP SmartSide products weigh significantly less than fiber cement, installation cost and time may be significantly reduced.

With over 10 years of sales history and 5 billion square feet in the market, LP SmartSide products are the next generation of siding.

Warranty

LP® SmartSide® products come backed with one of the most competitive warranties in the market today: A 5/50 year limited warranty provides a 5-year, 100% labor and replacement feature and a 50-year warranty on the product.

LP SmartSide Trim & Siding

A COMPLETE FAMILY OF PRODUCTS

Today, LP SmartSide products are available in four lines that are decay and termite resistant and provide performance, beauty and choice.

Our extensive SmartSide Trim line offers a full range of versatile options in fiber and strand substrates, including reversible, cedar and smooth textures, narrow widths and 20’ lengths.

The Architectural Collection offers a variety of unique siding solutions, including cedar shakes, colonial beaded lap and reverse board & batten. The Architectural Collection is available in a fiber substrate, excluding vented soffit, which is a strand substrate.

The Precision Series strand substrate line of products includes time-tested and proven durable composite wood lap siding, as well as structurally rated panels that can be applied directly to stud.

The Foundations fiber substrate line of products provides the essentials to finish a home with a look that will endure over time.
**Two Premium Looks**

- The natural look of cedar on one side and smooth on the other
- Interior or exterior use, including corner boards, windows and doors
- Narrow widths save cutting time with no ripped edges to re-prime
- Pre-primed for exceptional paint adhesion
- 16 length results in faster installation
- Available in strand substrate

---

**Reversible**

- Doubling your options while reducing inventory requirements

---

**Your Home, Your Style**

LP SmartSide trim and fascia beautify homes in a wide variety of styles. Choose from a variety of lengths and textures including our Reversible Trim with one side of each — doubling your options while reducing inventory requirements.
Architectural Collection

Siding With A Unique Appeal
Our most distinctive line, the Architectural Collection, offers a variety of unique siding solutions that will perform over time, including cedar shakes, colonial beaded lap, reverse board & batten and vented soffit.

Cedar Shakes

The Luxurious Look Of Real Cedar Shakes
• The look of real cedar with easy installation and less maintenance over time
• Staggered edges offer a lively, textured effect
• Can be used on an entire house or as a decorative accent with any substrate
• Shiplap edges for seamless appearance
• Available in fiber substrate

12” Bold Profiles

Genuine Detail
• Distinctive Triple 4” and Double 5” profiles
• Shiplap edges make it easier to level and apply
• Pre-primed for exceptional paint adhesion
• 16’ length results in faster installation
• Available in fiber substrate

16” Bold Profiles

Choices That Make A Statement
• This extra-wide 16” siding comes in three profiles: Quad 4”, Triple 5” and Double 8”
• Pre-primed for exceptional paint adhesion
• 16’ length results in faster installation
• Available in fiber substrate
Self-Aligning

Smarter Than The Average Siding
- Self-aligning lap siding that’s easy to level, course after course
- Saves installation and labor time
- Pre-primed for exceptional paint adhesion
- 16’ length results in faster installation
- Available in fiber substrate

LP SMARTSIDE® COLONIAL BEADED LAP (CEDAR)
- 7.844 in. (199 mm)
- 0.450 in. (11.4 mm)

LP SMARTSIDE® COLONIAL BEADED LAP (SMOOTH)
- 7.938 in. (203 mm)
- 0.375 in. (9.5 mm)
- 0.625 in. (15 mm)

Colonial Beaded

Cutting Edge Meets Classical
- Colonial Beaded Lap siding endows homes with authentic American style
- Drip lines cast crisp shadows for maximum curb appeal
- Pre-primed for exceptional paint adhesion
- 16’ length results in faster installation and fewer seams
- Available in fiber substrate

LP SMARTSIDE® COLONIAL BEADED LAP (SMOOTH)
- 8.938 in. (229 mm)
- 0.375 in. (9.5 mm)
- 0.625 in. (15 mm)

Stucco

Handcrafted Warmth At Your Fingertips
- The remarkably detailed soft, earthy hand-troweled effect of stucco on a panel
- Deeply textured and varied from board to board
- Comes in easy-to-install shiplap edge panels
- Available pre-primed or pre-finished in white
- Not rated for structural use
- Available in fiber substrate

LP SMARTSIDE® STUCCO PANEL
- 48.563 in. (1234 mm)
- 0.375 in. (9.5 mm)
- 0.625 in. (15 mm)
- 0.6875 in. (17 mm)

Reverse Board And Batten

Capture The Resilient Spirit Of Historic Architecture
- Rustic and cross-sawn, Reverse Board and Batten panel siding sports the weathered grain appearance of cedar
- Available in 8’ and 9’ lengths
- Shiplap edges make it easier to level and apply
- Pre-primed for exceptional paint adhesion
- Not rated for structural use
- Available in fiber substrate

LP SMARTSIDE® REVERSE BOARD AND BATTEN PANEL 12 IN. O.C.
- 48.563 in. (1234 mm)
- 0.375 in. (9.5 mm)
- 0.625 in. (15 mm)
- 0.6875 in. (17 mm)
**Vented Soffit**

**Let Air In And Keep Bees Out**

**COMPARISON OF SOFFIT VENT OPENING TO TYPICAL INSECT SIZE** (in inches)

<table>
<thead>
<tr>
<th>Vent Size</th>
<th>Wasp</th>
<th>Hornet</th>
<th>Honey Bee</th>
</tr>
</thead>
<tbody>
<tr>
<td>1/8&quot;</td>
<td>![Wasp Image]</td>
<td>![Hornet Image]</td>
<td>![Honey Bee Image]</td>
</tr>
</tbody>
</table>

Each piece comes with precisely cut vents offering 10 square inches of ventilation per linear foot.

**Engineered To Cut Out Problems**

- The perfect alternative to MDO, plywood or hand-installed metal vents
- Precisely cut vents offer 10 square inches of ventilation per linear foot, making it easier to meet code requirements while adding architectural beauty
- Designed to minimize paint build-up and promote continuous airflow
- Vents are as small as International Building Codes allow (1/8"), to keep hornets and bees out
- Eliminates time spent ripping full sheets
- Available in strand substrate

**LP® SMARTSIDE® CUT-TO-WIDTH VENTED SOFFIT**

Precision Series

**Unconditional Quality**

LP’s Precision Series offers the most durable wood composite lap siding in the market today and structurally rated panels that can typically be applied directly to stud.

### Lap

**The Natural Look Of Cedar Without The Cost**

- One of the most durable lap siding options in the market today
- 16’in length results in faster installation
- Up to 33% fewer seams than traditional 12’in siding
- Pre-primed for exceptional paint adhesion
- Self-aligning SmartLock™ option installs faster and more efficient
- Available in strand substrate

**22º Bevel**

**LP SMARTSIDE 76 SERIES LAP SIDING**

- Available in strand substrate
- Self-aligning SmartLock™ option installs faster and more efficient
- Pre-primed for exceptional paint adhesion
- Up to 33% fewer seams than traditional 12’ siding
- 16’ length results in faster installation
- One of the most durable lap siding options in the market today

The Natural Look Of Cedar Without The Cost

### Panel

**A Panel So Strong It’s Rated For Structural Use By The Engineered Wood Association**

- Ship-lap edge with advanced bead system for easier alignment
- Pre-primed for exceptional paint adhesion
- Significantly lighter than comparable fiber cement panel
- Strong enough to be nailed directly to stud, making additional sheathing unnecessary in many applications
- Eliminates need for additional bracing on load-bearing walls
- Ideal exterior for homes in areas of high winds or seismic activity
- Available in strand substrate

**LP SMARTSIDE 190 SERIES PANEL FOR CARRARA STUCCO USE ONLY**

- LP SMARTSIDE SMOOTH PANEL FOR CARRARA STUCCO USE ONLY
- Ideal exterior for homes in areas of high winds or seismic activity
- Eliminates need for additional bracing on load-bearing walls
- Strong enough to be nailed directly to stud, making additional sheathing unnecessary in many applications
- Significantly lighter than comparable fiber cement panel
- Pre-primed for exceptional paint adhesion
- Shiplap edge with advanced bead system for easier alignment

The Finishing Touch

- The perfect alternative to MDO and plywood soffits
- Cut-to-width eliminates time spent ripping full sheets
- Engineered for closed soffit applications
- The 76 Series and 190 Series are ideal for use as the starter course for roofs with exposed soffits
- Available in strand substrate

Foundations

A Solid Foundation Of Style And Strength

Our Foundations line provides the right combination of clean looks and lasting performance to enhance and protect any home. Lap, panel and soffit products in this line have the natural warmth and beauty of real wood, all for a great value.

Cedar Lap

Durable Beauty
• The natural look of cedar
• Pre-primed for exceptional paint adhesion
• 16’ length results in faster installation
• Available in fiber substrate

Primed Panel

Designed For Ease And Performance
• The shiplap edge makes it easy to install
• Pre-primed for exceptional paint adhesion
• Not rated for structural use
• Available in fiber substrate
• Cedar or smooth texture
LP® SmartSiding® Products Warranty

Prorated 50-Year Limited Warranty

This warranty is limited to LP SmartSiding lap siding, panel siding, trim and fascia. SmartFinish, SilverSide and soffit (“the Product(s)”) installed on structures permanently located in the United States or Canada.

1. Warranty Coverage—Limited 50-year Warranty

Louisiana-Pacific Corporation (“LP”)’s warranty is made to the original purchaser of the Product(s) (“Purchaser”), the original owner of the structure on which the Product(s) are installed, and to the next owner of that structure (together “Owner”). LP’s express warranties may not be assigned to any subsequent owner of the structure. LP warrants that, in the time and manner of manufacture, the Product(s) will be free of defects in materials and workmanship.

In addition, the Product(s) will remain free from: a) fungal degradation; b) buckling and/or 1/16” cracking, peeling, separating, chipping, flaking or peeling of the resin-impregnated surface overlay for a period of 50 years from the date of original installation; c) voids or surface blistering; d) delamination; e) sagging due to wind loading or water penetration; f) discoloration due to weathering; g) terms of wind, snow, ice or moisture; h)工作中 interference by termites or fungi; i) penetration of water; j) chemical degradation.

2. Remedies for Breach of Limited Express Warranty

This warranty is limited to LP SmartSiding lap siding, panel siding, trim and fascia. SmartFinish, SilverSide and soffit (“the Product(s)”) installed on structures permanently located in the United States or Canada.

In the event of a breach of this Limited Express Warranty (or of any implied warranty not otherwise disclaimed herein), LP will:

a) during the first 5 years from the date of installation, pay an amount equal to the cost (as established by an independent construction cost estimator, such as R. S. Means) of repairing or replacing any Product(s) that fails to comply with the provisions of Paragraph 1, above, or b) during the 6th through the 49th years from the date of installation, pay an amount equal to the cost of similar wood-based replacement product (no labor or other charges shall be paid), less an annual pro rata reduction of 2.22% per year (6th year, 2.22%; 7th year, 4.44%, etc.) such that from and after the 50th year the amount payable under this warranty will be zero.

Any dispute concerning the applicability of the warranty or whether the Product(s) met the manufacturer’s standards in accordance with Paragraph 1 shall be submitted to binding arbitration under the Commercial Arbitration Rules of the American Arbitration Association. The arbitrator of the arbitration over the dispute shall be exclusive and the decision of the arbitrator shall be binding and non-appealable.

3. Exclusion of Other Remedies

In no event will LP be liable for any incidental, special, multiple, punitive, indirect or consequential damages resulting from any defect in the Product(s) supplied, including, but not limited to, damage to property or lost profits. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you.

4. Exclusion of All Other Warranties, Express or Implied

THIS LIMITED EXPRESS WARRANTY IS THE ONLY WARRANTY APPLICABLE TO THIS PRODUCT(S) AND EXCLUDES ALL OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR ANY WARRANTIES OTHERWISE ARISING FROM THE COURSE OF DEALING OR USAGE OF TRADE OR ADVERTISING. EXCEPT WHERE SUCH WARRANTIES ARE UNDER APPLICABLE CONSUMER PRODUCT WARRANTY LAWS AND CANNOT BE DISCLAIMED, IN WHICH EVENT SUCH WARRANTIES ARE LIMITED TO THE MAXIMUM EXTENT PERMITTED BY SUCH LAWS. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

5. Certain Damages Excluded from Warranty Coverage

This Limited Express Warranty does not cover or provide a remedy for damage that results from:

a) misuse or improper storage, handling, application, finishing or maintenance; alterations to the structure after the original application of the Product(s); or
b) swelling and/or edge checking. Such swelling and/or checking normally occurs in all wood products as they expand and contract in response to changes in climatic conditions.

c) termite damage which does not affect the structural integrity of the Product(s); or

d) design, application or construction of the structure on which the Product(s) is installed.

6. Responsibility of Purchaser or Owner

COMPLIANCE WITH EACH OF THE REQUIREMENTS SET OUT BELOW IN SECTIONS (A) AND (B) IS IN CONSIDERATION TO LP’S OBLIGATIONS UNDER THIS WARRANTY AND THE FAILURE TO COMPLY WITH ANY ONE OR MORE OF THE ITEMS SHALL VOID ANY RIGHTS OWNER AND PURCHASER MAY HAVE AGAINST LP:

a) Homeowners are required to register their home for warranty coverage within 60 days of installation. Warranty registration is easy and can be accomplished in any of one way: 1) Mail on Registration Cards in the mail. 2) Go to lp.com in your home page; 3) Phone call to customer service at 800-405-6106 requesting Registration Cards. Second homeowner will be required to provide evidence of chain of ownership of home, e.g., Divorce Transfer.

b) In any Purchase or Owner seeking remedies under this warranty must notify LP at the number listed below, within 30 days after discovering a possible nonconformity of the Product(s) and before beginning any permanent repair. This notice should include the date on which the Product(s) was purchased and installed. It is the Owner’s responsibility to establish the date of installation.

LP must be given a 60-day opportunity to inspect the siding. Upon reasonable notice, the Purchaser or Owner must allow LP agents to enter the premises and structure on which the Product(s) is applied to inspect such Product(s).

7. Governing Law

All questions concerning the meaning or applicability of this limited warranty are to be decided under the laws of the State of Tennessee without reference to its choice-of-law rules.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. For further information, please call Customer Support at 800-405-6106, or write to: LP Corporation, 414 Union Street Suite 2000, Nashville, TN 37219

Preﬁ nished Panel

• The natural look of cedar
• Prefinished with multiple layers of paint along the edges and face surfaces
• Easy maintenance with multiple uses
• Not rated for structural use
• Available in ﬁ ber substrate

Soffit

The Perfect Match
• Installs quickly and easily
• Available in multiple sizes for extraordinary versatility
• Pre-primed for exceptional paint adhesion
• Available in ﬁ ber substrate
• Cedar or smooth texture
**We protect great homes and great reputations.**

The LP® SmartSide® family offers a complete line of exterior trim and siding products – including lap, panel, trim, fascia and soffit – that are engineered using advanced siding technology to give homeowners the traditional look of real wood while helping to protect their homes from harsh weather conditions and termites. Every step of the manufacturing process is designed to create a high-performance siding that’s tough and durable, so it performs beautifully for decades.

For more information on LP SmartSide trim and siding, please visit [www.lpcorp.com/smartside](http://www.lpcorp.com/smartside) or call **888.820.0325**.
